## INTRODUCTION

The Catalogue of Maps is prepared covering the maps including Restricted Maps of different locations of India. Arrangement of catalogue is according to the Index Number provided to each document in the library of Zoological Survey of India. Users can refer the appropriate Index Number for easy consultation of Maps available in Zoological Survey of India library situated in Kolkata. It is an initial attempt, which requires time to time updation and revision in future. Survey work essentially requires consultation of Maps. To study Zoogeography of animals, this catalogue will be of immense help.
